# 2010 Tournament Sponsor

## Cleveland County Family YMCA Strong Communities Golf Classic

All proceeds will fund YMCA financial assistance opportunities for youth and families who wish to participate in programs and services at the Cleveland County Family YMCA.

### The YMCA is a nonprofit organization

The YMCA does not turn anyone away based on inability to pay, and part of our mission work is providing financial assistance to families who need scholarships for memberships, child care and youth programs.

Every year, the Cleveland County Family YMCA raises money to provide those scholarships. Financial assistance is made available to those who qualify through the funds donated through the **Strong Communities Campaign**, and the scholarships are granted to individuals on a sliding fee scale.

### How much financial assistance is granted?

In 2009, \$292,679 was distributed to people in need. Of that total, \$173,262 was granted for membership, and \$119,417 was granted for participation in YMCA programs, such as youth sports.
